2012 Southern Regional Equipment Operators Safety and Training Conference

**September 17-20, 2011
Beckley, West Virginia**

**The West Virginia
Department of
Transportation, Division
of Highways, is pleased
to be hosting the 2012
Southern Regional
Equipment Operators
Safety and Training
Conference!**

We are pleased to announce that the conference is tentatively being planned for Monday, Sep-

Downtown Beckley, WV

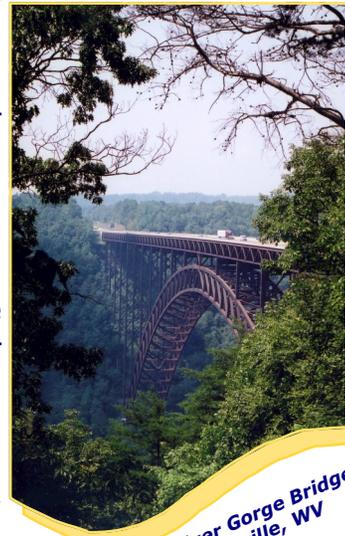

tember 17 through Thursday, September 20, 2012 in Beckley, West Virginia.

LODGING

Rooms will be blocked at special rates for conference attendees at both the Country Inn and Suites and it's sister hotel, the Holiday Inn and Suites, in Beckley, West Virginia.

Official 2012 Southern Regional Equipment Operators Safety and Training Conference Website!

We are currently in the process of preparing a website for the 2012 conference, which will be available for public viewing in the near future. On this website, conference attendees will be able to register for the conference, find lodging information, area tourist information, and much, much more!

New River Gorge Bridge
Fayetteville, WV

(A link to this website will be provided to State Officials once it is available for public viewing)
