

## **WVDOH Announces Upcoming Highway Project**

---

**6<sup>th</sup> Street Bridge  
Point Pleasant, WV  
S327-62-19.55  
STP-0062(817)D**

The 6<sup>th</sup> Street Bridge is located on WV Route 62 over Crooked Creek. The project consists of replacing the existing bridge in its current location.

The preferred Alternative #2 will replace the existing bridge with a 100 foot long 8x6 foot precast concrete box culvert at the existing location. Traffic will be maintained on an existing detour along WV Spur 2 (See Map on the other side).

**CONSTRUCTION IS SCHEDULED TO BEGIN SPRING 2016**

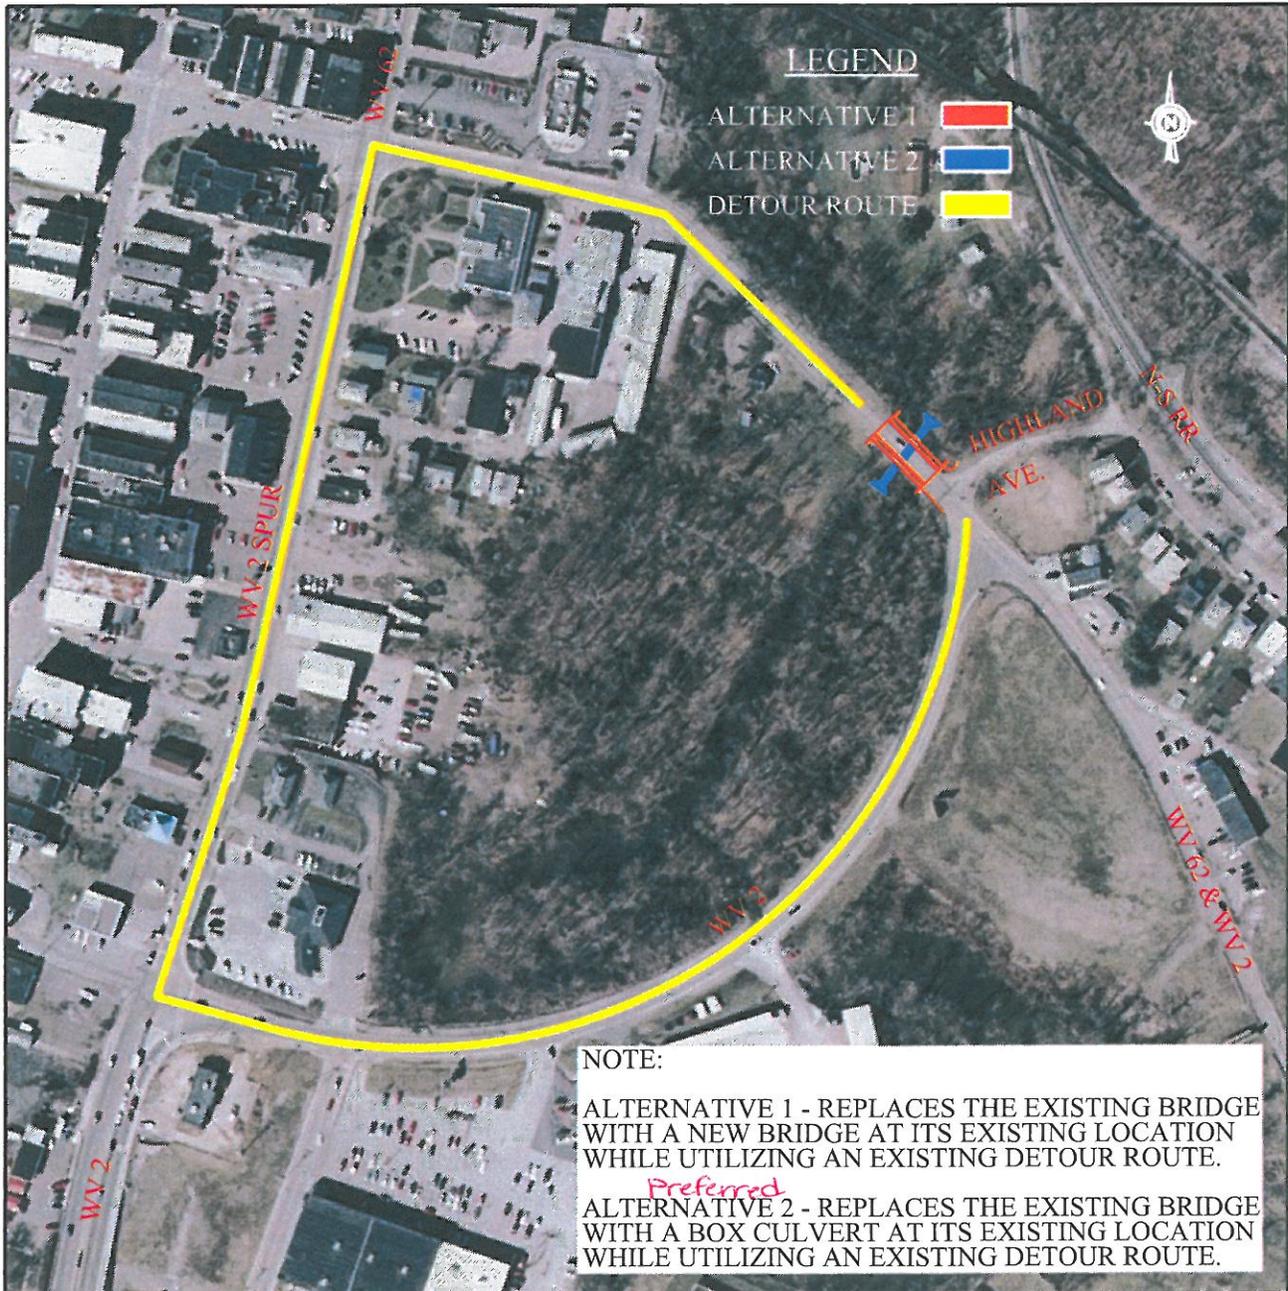

---

If you would like to comment on the project please mail written comments to:

**RJ Scites, P.E., Director, Engineering Division  
West Virginia Division of Highways  
1334 Smith Street  
Charleston, West Virginia 25301**

Or visit the WVDOH Website at [www.transportation.wv.gov](http://www.transportation.wv.gov) (under Public Comments then Comment on Engineering Projects). All comments are due by March 31, 2015.
