MEMORANDUM

**TO: All Permit Wire Services and
Specialized Carriers**

**FROM: W. Kyle Stollings, Director
Maintenance Division**

SUBJECT: Superload Permit Applications

The application for all superload permits must be made upon the form attached with this notice. Also attached are examples of axle configurations detailing weight and spacing as they should appear upon application for consideration.

Unless otherwise requested, no other documentation should accompany the application. Those applications that do require supporting documentation shall be supplied on company letterhead guaranteeing all supporting cost such as, but not limited to, engineering analysis or law enforcement assistance will be borne by the applicant.

If other information is needed regarding this application form, please do not hesitate to contact the permit office at (304) 558-2883 or FAX (304)558-0591.

**COMPANY MUST FAX DIRECTLY TO THE PERMIT OFFICE!
BE SURE & PUT CONTACT NAME & TELEPHONE NUMBER OF COMPANY;
NOT A WIRE SERVICE.**
