Due to problems with our certification site, we are unable to certify the vehicles conducting smoothness testing as specified in the 720 Special Provision. Until this matter is resolved, we will be waving this requirement. The operator's certification is still required.

If you have any questions, please contact either Mr. Chris Preston at (304)558-9860 or Mr. Roy Capper at (304)558-9885.
