**IN REPLY REFER TO:
FY14-17 STIP Amendment
#11 Request**

Robert L. Pennington, P.E.
Acting Deputy State Highway Engineer –
Planning and Programming
West Virginia Department of Transportation
Division of Highways
Charleston, West Virginia 25305

Dear Mr. Pennington:

This letter is in response to your June 27, 2014, request to amend the FY 2014-2017 West Virginia Statewide Transportation Improvement Program (STIP). The Amendment #11 request adds non-MPO projects to the statewide program.

In amending the STIP, we understand that the appropriate public involvement procedures have been followed, that the STIP remains fiscally constrained and that the subject amendment was developed in accordance with the January 6, 2005 WVDOT/FTA/FHWA STIP Operating Guidelines and 23 CFR 450.

Based upon the information provided and our understanding of the projects, we approve your request to amend the FY 2014-2017 STIP. This approval does not constitute a final commitment of Federal funds. Federal funding for projects included in the STIP is finalized when a request for project authorization is approved by FHWA.

If you have any questions regarding this action, please contact Kevin Burgess at (304) 347-5266, or kevin.burgess@dot.gov.

Sincerely yours,

Thomas J. Smith, P.E.
Division Administrator
